

Cotswold Cottage Holidays receives Award of Excellence 2026

In any industry there are always organisations that stand out from their peers and set the standards that others in their field have to aspire to achieve. With cottages across the beautiful Cotswold village of Broadway, Cotswold Cottage Holidays is an organisation that certainly meets this criteria leading the way when it comes to providing self catering cottage holidays in the Cotswolds. They have made quite a name for themselves over recent years establishing a well deserved reputation as one of the rising stars of the industry and if the last few years are any barometer of what the future holds then there are many successful chapters yet to be written in the Cotswold Cottage Holidays story.

The reputation they have is fully justified and is now beginning to earn them more tangible forms of recognition. In the prestigious SME Best of British Getaways Awards they were given the impressive accolade of being named Best Holiday Cottage Accommodation Provider in 2025. The award was well deserved and has further cemented their reputation as one of the absolute leaders in their field. Following on from that success we are delighted to announce that Cotswold Cottage Holidays are the latest recipients of one of our 2026 Awards of Excellence.

With our awards we think it's important to recognise organisations that are bringing something new and innovative to their marketplace. They don't necessarily have to be the biggest but they have to be someone that is trying to offer something different to what is already out there and above all they must offer a great product or service. We feel that Cotswold Cottage Holidays ticks all the boxes and are worthy winners of our award. The awards are clearly no accident and will come as no surprise to anybody that has been lucky enough to stay at any of their cottages. In this edition we will try and give you an insight into the success that they've enjoyed and why their accommodation is so incredibly popular with everybody that stays with them. .

There are many factors but first and foremost they are good at what they do with the entire team sharing the same steadfast determination to maintain the high standards at their cottages that have become such a trademark. So who exactly are Cotswold Cottage Holidays and what is it that they do? First founded back in 1987 they have three beautiful, dog friendly cottages in the beautiful village of Broadway, providing a perfect base to explore the wider Cotswolds region and in close proximity to the historic towns of Cheltenham and Stratford upon Avon.

If you prefer a peaceful get away from it all break, then these cottages all have beautiful gardens to enjoy and are close enough to the centre of Broadway village to walk in and sample the great selection of museums and array of independent shops and its own Steam Railway station. For those keen walkers Broadway has a wonderful selection of walking routes and is also situated on The Cotswold Way national trail. The cottages all come with private parking and are available for short stay midweek breaks, weekend breaks as well as longer stays.

The fact that they are held in such high regard by all of their guests, many of whom return year after year speaks volumes not only about the quality of their accommodation but also the honest and ethical way in which Cotswold Cottage Holidays operates. Having set such a high bar, the challenge facing Cotswold Cottage Holidays in the future as their reputation continues to grow and the demand for their accommodation increases further will be to maintain the high standards that have made them such a popular destination for their guests. Given their track record we think it's something that they will achieve and that Cotswold Cottage Holidays is a name you'll be hearing much more of in the years to come.
